

# Junior Play Program

## 9 - Hole Golf League

Upon completion of Deer Creek's Junior Instruction program graduates are invited and encouraged to participate in our weekly 9 - hole golf league. This will be a great way for you to implement the skills you have learned and developed at the practice range onto the actual golf course. Your instructor will assist you with check-in, starting times, scoring, on-course play, rules, and completion of play procedures each week. You may join the league at any-time during the season and play in a non-competitive, non-intimidating environment. Our unique "Personal Par" System is a way for you to measure your progress on the golf course.

Day: Mondays  
Time: Between 1– 3 pm  
League Season: June - August  
Fees: \$10 Greens  
(paid weekly upon check-in)

Free warm-up range balls prior to tee time

To Register Inform Your  
Instructor

Enroll Me :  As a Single  With a Friend  
Name of Friend: \_\_\_\_\_

## *The Junior Academy*

Deer Creek Golf Club in conjunction with Green Fairways Golf Management and the PGA of America Golf Professionals have developed a "State of the Art" junior Instruction Program. This program is designed to allow new golfers the ability to learn the fundamentals and play on the course quickly.

Our curriculum includes lessons on the basic fundamentals of set-up, swing, short game, golf etiquette, rules of golf, equipment, attire, pace of play, logistics like how to make a tee time, safety and golf course strategy.

Our Junior program will afford opportunities for youth to acquire life skills through participation in and learning about the game of golf. The objectives are to:

- Improve the game's accessibility, thereby making golf more available to people of all social strata, particularly children.
- Provide every child, regardless of race and economic background, the opportunity to learn and play golf.
- Instill the game's inherently positive values, such as honesty, integrity, sportsmanship and self-discipline.
- Teach children that dedication, sound values and education are keys to success.
- Develop in participants greater self-esteem, civic responsibility and confidence to broaden their goals in life.
- Develop a teaching curriculum that makes learning golf fun.

The Deer Creek teaching facility is unlike any other in the Chicago area. Our facility includes a private lesson area on the range, private lesson area for the short game, a large practice putting green, and practice sand bunkers. Our new forward tees have reduced the length of the golf course to make the transition to play for new golfers more enjoyable.

## Schedule of Classes:

### **Juniors age 13 - 17**

<b>Day</b>	<b>time</b>	<b>dates</b>	<b>section</b>
M	5:00-6:00	6/16-7/9	KIDS1
