

## About Deer Creek

---

Thank you for your interest in Deer Creek. We are pleased to offer, for your consideration, this unique opportunity to be a season pass holder at our golf course.

Deer Creek Golf Club is rated 3 1/2 Stars by Golf Digest Magazine and is continually voted as one of Chicago's places to play. Deer Creek is a beautifully manicured Championship golf course with bent grass greens, 7 lakes and 55 sand bunkers. Throughout the course you will find aesthetically pleasing naturalized areas, which include a wide variety of wildflowers.

Deer Creek Golf Club was designed in 1971 by E. Lawrence Packard. Mr. Packard is known throughout the United States for his golf course designs. Many consider the Deer Creek layout to be one of his best.

There are ample opportunities for golf at Deer Creek. We have many leagues from which to choose, permanent tee-times, and clubs for both men and women. We invite you to join the fun with unlimited golf all year.
